**Photo Contest Submission Form**  
**Entries due July 18, 2016**

The 2016 Summer *New Views of Shoreview* Photo Contest, presented by the City of Shoreview, will showcase the best photographers in our community and the subjects that give them inspiration.

The contest is open to Shoreview residents only. Up to five entries in JPEG format may be submitted. Please read official contest rules at [www.shoreviewmn.gov](http://www.shoreviewmn.gov) for more details and awards.

**This contest has one category/theme:**

**Youth Summer Sports - Outdoors**

Start by thinking about one of these questions: "What is your family's favorite summertime, outdoor sport?" or "Show us the next great Minnesota athlete competing in his or her favorite summer sport." We're looking for photos capturing young people enjoying summer sports in Shoreview – for example, beach volleyball, swimming, biking and running, in addition to baseball, tennis, basketball or soccer.

**To enter, send your entries and this form (one with each submission) by email to: [communications@shoreviewmn.gov](mailto:communications@shoreviewmn.gov) (file size limit 5 mb)**
